

Invite you to a preview screening of

Long before the concept existed, the Duchess of Devonshire, Georgiana Spencer, was the original “It Girl.” Like her direct descendent Princess Diana, she was ravishing, glamorous and adored by an entire country. Determined to be a player in the wider affairs of the world, she helped usher in sweeping changes to England. But even as her power and popularity grew, she was haunted by the fact that the only man in England she seemingly could not seduce was her very own husband, the Duke. And when she tried to find her own way to be true to her heart and loyal to her duty, the resulting controversies and convoluted liaisons would leave all of London talking.

Thursday, Oct. 2 - 7:30 p.m.
Malco Cordova Theater
1080 N. Germantown Pkwy.
